ABOUT

AITHERAS, LLC is a customer-centric innovative IT consulting firm delivering timely and cost-effective solutions for our federal, state, local, and commercial clients. AITHERAS understands the programmatic details of litigation, investigative, and legal support and provides the high-performance resources for legal technology to support our clients' litigation support needs. Since 2002, our clients have entrusted us with mission critical projects relying on our services and expertise in Data Analytics, Cloud Computing Services, IT Engineering and Application Development, Records and Data Management, Litigation Support, and Cyber Security. We are headquartered in Rockville, MD, an ISO 9001:2015 certified firm, a designated Small Business by the U.S. Small Business Administration (SBA), and a Minority Business Enterprise (MBE) by the State of Maryland Department of Transportation (MDOT).

As an accomplished technology solution provider, we prioritize understanding the challenges that our clients face to support achieving scalable and customer-centric solutions. Whether the challenge is expanded mission requirements, or budgetary pressures or shrinking workforces, we design custom solutions that maximize the investment for long-term success.

AITHERAS has served and partnered with over a hundred clients since 2002. We continue to be driven by seeing our clients excel and thrive in their mission. Let us know how we can partner with you to integrate innovative and sustainable solutions for your success.
